| AS5340S | SILVER AS 5/8" X 1" REVEAL BEAD | 12 |

*SIZES LISTED AS A X B

Description: Trim-Tex Silver Architectural Reveal Bead is designed to match the look of clear anodized finish on aluminum reveals and create details in walls that allow for up to 1/8" expansion control.

Advantages: Made from rust proof, dent resistant PVC to reduce jobsite and handling damage. Does not contain cellulose, a potential food source for mold.

Limitations: Product is designed for interior & exterior use.

Applicable Standards: Rigid PVC products made by Trim-Tex achieve a Class A rating for flame spread and smoke developed when tested under ASTM E84.

Surface Characteristics: Trim-Tex products are made from PVC. PVC does not support combustion and is self extinguishing when the source of flame or heat is removed.

Installation: Trim-Tex recommends following established acceptable industry standard installation methods. Detailed installation instructions can be found at www.trim-tex.com.

Accessories: 847 Spray Adhesive and Safety Products distributed by Trim-Tex.
